

TERMS & CONDITIONS

Payment

This workshop is costed in Euros and that is thus the only constant price due to the fluctuations of the exchange rate prices in other currencies.

In order to secure your place on this workshop a deposit of €1500,00, payable via wire transfer, is required. Please note that your spot on the workshop is not confirmed until we have received the deposit payment.

Full payment must be made 90 days prior to the start of the workshop when we will send out an invoice for the full amount to clients. If payment isn't received and we receive no communication from you within 7 days of sending the request for payment, we reserve the right to consider your booking as cancelled by the participant.

When booking within 90 days of the start of the workshop, immediate full payment will be required to secure your place.

The sender assumes responsibility for all charges when making the transfer.

Cancellation

Up 32 days prior to departure all payments, including the deposit are fully refundable. If canceled within 32 days of the start of the workshop we will retain 50% of the deposit to cover non-refundable bookings with all the third parties (accommodation, transport, etc.) that will have been paid by us. The remaining 50% of the deposit and balance will be refunded.

We are unable to offer any refund for participants who, for any reason, leave a workshop already in progress as we will already have made full payments towards accommodation, vehicle hire etc.

We reserve the right to cancel a workshop in case of insufficient enrolment which might make the tour financially unviable, or due to concerns about the potential safety and welfare of participants. In these instances we offer a full refund of all payments made to us (Andy Mumford or Andrea Livieri) by current participants of the workshop, or people who have cancelled within 7 days of our cancellation of the workshop. In the highly unlikely case that we need to cancel a trip in progress due to concerns about the safety and welfare of workshop participants, you will receive a refund proportional to the amount of time remaining on the workshop.

We aren't responsible for any refund of airline tickets purchased directly by the participant.

Health

This workshop is designed to be within the capabilities of the average person in good health. Participants will be required to walk over uneven terrain or trails and may occasionally need to hike to a destination while carrying their camera equipment. Any physical condition requiring special treatment should be communicated to us before enrolling in the workshop. If you have concerns about your own capabilities and/or fitness as it relates to this workshop, please contact us to clarify any uncertainties.
